

requests::Session

```
graph BT; A["pip._internal.network.session.PipSession"] --> B["requests::Session"]
```

The diagram illustrates an inheritance relationship. A light gray box at the top contains the text 'requests::Session'. A dark gray box at the bottom contains the text 'pip._internal.network.session.PipSession'. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating that 'PipSession' inherits from 'requests::Session'.

pip._internal.network.session.
PipSession
