

Exception

```
graph BT; A["pip._vendor.pyproject_hooks._impl.UnsupportedOperation"] --> B[Exception];
```

The diagram illustrates an inheritance relationship. A light gray rectangular box at the top contains the word "Exception". A dark blue arrow points vertically upwards from the bottom center of a larger, darker gray rectangular box below it to the bottom center of the "Exception" box. The bottom box contains the text "pip._vendor.pyproject_hooks._impl.UnsupportedOperation".

`pip._vendor.pyproject_hooks._impl.UnsupportedOperation`
